Dear Sir and Madam:

Saamis Solar Park Ownership Transfer to City of Medicine Hat

addresses of the members of MHURA who have authorized the MHURA to address their concerns in Proceeding 29273. Appendix "A" is broken up into two groups:

- MHURA members directly affected by this proceeding as a result of potential utility rate and tax impacts to them as residents of the City of Medicine Hat; and
- MHURA members directly affected by this proceeding as a result of both the potential utility rate and tax impacts to them as residents of the City of Medicine Hat and due to physical proximity to the Saamis Project.

MHURA has endeavored to obtain the consent of as many individual members of MHURA as possible to share their address in this public filing before December 4, 2024. Given that all members of the MHURA reside within the City of Medicine Hat, they are all directly affected by this proceeding. In any event, it is likely that, owing to the short turnaround time, there will be more individual members of MHURA who will agree to share their municipal address after December 4, 2024. These can be forwarded to the Commission when received and should have no effect on the currently established process for Proceeding 29273.

Thank you.

Yours truly,
